

MIDAS Industry Award 2007

On 23 Nov 2007, the winners of MIDAS Industry Award 2007 was announced in MIDAS year end gala dinner. The winner of “The Most Respected Semiconductor MNC Group In Singapore” go to Infineon Technologies and “The Most Emerging Semiconductor Entity In Singapore” go to Bluechips Technology.

Mr. Pow Tien Tee, Regional President and Managing Director of Infineon Technologies Asia Pacific, received the award on behalf of Infineon while the Best Emerging Semiconductor Entity award was accepted by Mr. KC Tay, Director for Sales on behalf of Bluechips Technology.

Mr Pow, MD of Infineon Technologies, attributed the success of Infineon Technologies to his management team and staffs. Infineon Technologies has a large team of IC design engineers locally and is committed to the growth of semiconductor industry in Singapore.

Mr KC Tay, Director for Sales of Bluechips Technology, receiving the award from Mr JK Tan. Bluechips Technology has grown from a EDA tools distributing company to a fast growing chip design company listed in KL stock exchange.
